

Save the date for 12.10.14! Valley Gives Day!

You care about excellence in education. So does Amherst Education Foundation (AEF)!

Join us on December 10th, a day of online giving throughout the community, to show how much you care about our students and teachers in Amherst, Pelham, Leverett, and Shutesbury Schools.

**Help make our classrooms exciting places to learn every day
by supporting AEF on Valley Gives Day!**

Here's what you can do today to get ready for Valley Gives:

- **Put Valley Gives Day on your calendar for 12.10.14!**
- **Like AEF on Facebook & follow us on Twitter to learn more.**
- **Bookmark our giving website: valleygives.razoo.com/story/Amherstedfound**

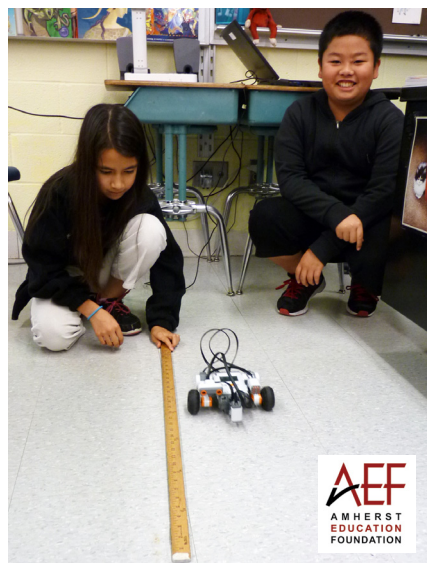

There are many Amherst nonprofit organizations participating in Valley Gives, including many of the school PGOs. You can find them all listed at amherstgives.org.

**Big or small, every donation matters.
THANK YOU!**

**AEF grants are at work in
your school!**

Here's an example:

A recent AEF grant funded Lego Mindstorms Robotics kits and curriculum for all 6 elementary schools.

"The success that they feel when the robot does what they want it to is magic!!"

~ Joan Gallinaro,
Instructional Technology
Teacher
