

# Shutesbury Broadband

Hello!

We're the Shutesbury Broadband Committee and we're working hard to bring high speed fiber broadband internet to your home.

On November 8<sup>th</sup> (15<sup>th</sup> is our rain date), we will be doing a utility pole inventory which is an important step in the design process. The information we're collecting will get us a giant step closer to answering the important questions everyone wants to know; how much will it cost and how fast can it be installed?

If you are interested in helping with the pole inventory or providing food for the volunteers, please contact our Volunteer Coordinator, Zenya Wild.

Call: [413-256-0176](tel:413-256-0176) Email: [broadband@shutesbury.org](mailto:broadband@shutesbury.org)

Please join our email list to get informed of our progress at [www.shutesbury.org/broadband](http://www.shutesbury.org/broadband).

Sincerely,

The Shutesbury Broadband Committee

*Not a school sponsored event*
