

Student Council Notes

February 9, 2016

3:30 PM

In Attendance: Jackie, Renee, Jen, Debbie

1. Discussion about the different ways schools and school committees in MA are reacting to state testing mandates
2. Funding and plans for little playground doing well, but funding/plans for big playground need more time, planning and volunteers
3. Discussion around how to best schedule (and even whether to try) replacing classroom carpets with tiles like this in the school hallways
4. A community PreK/K and/or school choice forum will be held in February or March and a discussion with the SES school committee will follow
